# SASH® Coffee Time

An Elder Care Networking Favorite Since 2006!

One resource remains absolutely critical in caring for older adults and the most vulnerable among us. Seniors and their families need **trusted, experienced elder care professionals** that will be there for them through each step of the aging journey, offering expert guidance, compassion, and knowledge. Families benefit from a collaborative team of diverse elder care providers around them, meeting multiple, unique needs that arise.

How do elder care providers find one another? How can they build relationships of collaboration in a "circle of care" around each older adult and family?

**SASH Coffee Time** was created exactly for this purpose.

Coffee Time was established in 2006 as a place for elder care professionals to connect, learn about one another's services, build relationships of trust, and serve seniors and their families together.

Over the years, SASH has hosted **1,000 Coffee Times** all across the Puget Sound region. Every month, we gather to share inspiration, ideas, knowledge, and hugs!

There is no cost to attend, no guest speakers, and no membership. The event is dedicated to connecting and growing our network!

If you are an elder care provider, you are invited too!

We provide coffee and refreshments, and a welcoming, inclusive networking environment. Come join us!

Contact us at [coffeetime@sashservices.com](mailto:coffeetime@sashservices.com) to request a current Coffee Time calendar or to receive an email reminder to your favorite Coffee Time! Visit us at [sashservices.com/coffeetime](http://sashservices.com/coffeetime) for details!
