# SASH: The Superior Service for Seniors' Home Sales

*Serving Seniors and Their Families Since 2005*  
*~ 20 Years of Excellence ~*

## A Recent Client's Success Story:

**Carol loved her home.** It was her happy place: where she tended her garden, hosted her friends, and created art. Then, three falls that resulted in multiple hospital stays meant that it was time for a new chapter of life. It was time for Carol to live in a care community. Her home needed to be sold to pay for the care.

**The challenging pieces** were that Carol's family lived out of state. There were **insufficient funds** to provide for her immediate care. Who would sort, pack, and empty Carol's home? There was **deferred maintenance**, and the home was **nowhere near** ready for sale. An "as-is" sale would have invited a **low sale price**.

## The family was referred to SASH Services.

Here's how we were able to help!

- A cash advance of over \$35,000
- Sorting, packing and moving
- Cleanout of the home
- Preparation of the home for sale
- Beautiful marketing of the home
- Management of the home sale
- Oversight of every detail, so family could focus on Carol instead

Carol's home **sold in 2 days** for a much higher price than in an "as-is" sale. It was a great outcome for her and her family!
